

# NC JOHN

In harmony with nature

# ABOUT US.

---

## N C John & Sons Private Limited

Embarking on a journey through our family-owned floor covering enterprise, spanning 80 years since 1943 in Alappuzha, Kerala, and Tuticorin, Tamil Nadu. With close to 1000 professionals across 5 factories in Tuticorin and 4 in Alappuzha, our forte is natural floor coverings crafted from eco-friendly materials like coir, jute, and sisal. In 2022, we proudly earned the title of leading coir floor covering exporters, recognized with the National Award for outstanding contributions by the Government of India.

# OUR VISION

---

## VISION

- We envision bringing the NCJ Legacy to households across the globe through new initiatives, innovative products and services while continuously delivering value to our customers, employees and our shareholders.
- We shall focus on a threefold growth in the next five years, by establishing leadership positions in the sustainable space.
- Living in harmony with nature, we shall strive in ensuring a healthier, greener and cleaner planet across our core business areas.

# MANUFACTURING CAPABILITIES: DOOR MATS
